President's Message by Paul Dowgewicz

A big thank you goes to the many people who helped on airport cleanup day. A lot more work was done than I had hoped, making the airport look great. The shrubs were trimmed along the entrance sidewalk and the vines that were tangled in the fence were removed. Weeds were cut and sprayed on the patio and along the parking lot. Weeds and vines were also cut along the fence by the street, and around several buildings. Also the pilot lounge and bathrooms underwent a thorough cleaning. We're planning at some point to replace the patio canopy cover, clean our meeting area, and touch up railing paint.

We're scheduled a movie night during our August 14 meeting, and Ken Katz will be coming in to talk with us about the B-1 bomber during our September 11 meeting. If you have any movie suggestions, bring them up at our July 10 meeting. This month Chris Tarbell will be talking about flying in Class C airspace.

We're always looking for items to discuss at meetings. If you've taken a trip somewhere, have an aviation topic you've learned, or have a suggestion for a demonstration, please let us know.

Thank you,
Paul Dowgewicz

Simsbury Airport Looking for Help During Fly-In

It's that time again!! It's time to help preserve Simsbury Airport and have a great time at the 2024 Simsbury Fly-in, Car Show and Food Truck Festival. Please feel free to forward this email to anyone who you think would like to volunteer or have them email Pat@Simsburyairport.com!!

The Simsbury Fly-In and Car Show depends on the help of more than a hundred and thirty volunteers from the local community. Many of our volunteers return year after year because it is a fun experience, a chance to renew acquaintances with old friends, and it keeps our airport in operation.

Please help with our event. Work a few hours, half the day, or the entire day - your choice. There are many tasks available: greeting spectators, food service, parking cars and airplanes, setting up and tearing down the venue, and much more.

Our volunteers each receive a free t-shirt, free parking and lunch tokens.

Visit <https://simsburyairport.com/flyin> to sign up.
